Itinerary

: Da Nang Private City Tour by Jeep

The first part of our tour will consist of a drive down the coast in a jeep once we have picked you up from your accommodation.

The first place you will travel is [Marble Mountain](#), where you will climb to a pagoda housed inside a cave and enjoy the serene view from the top of the mountain.

The next stop is at **Hai Van Pass**, where you can take pictures of historical treasures before continuing to **Lang Co Bay** for lunch. This Bay is located on the other side of the pass.

Following lunch, you will make your way to [Son Tra Peninsula](#), where you will take a forgotten road to reach a historic heliport formerly utilized by the United States Army and where helicopters used to land to provide supplies to US troops stationed there.

The final visit is at **Linh Ung Pagoda**, also known as a "must-see" location in Da Nang City. This pagoda is home to a white figure depicting the Goddess of Mercy. At the conclusion of the tour, you will be transported back to the hotel where you are staying.
