Afternoon

The first stop is [Sung Sot Cave](#), one of the largest and most sparkling limestone caves in Halong Bay. Remember to wear hiking shoes since you will climb over 100 steps to reach the interiors. This is also a soft adventure where you can either work out or admire the scenic landscape of the bay.

Admire the mesmerizing stalactites and stalagmites of Sung Sot Cave

The second highlight is [Luon Cave](#), a renowned water cave that can only be explored by boat because of its limited height and shape. Let's dress lightly and wear waterproof sandals and join the kayak.

After a long day, we'll be back on the boat. Let's enjoy the sunset hours that fall over Halong Bay and capture this magnificent moment. At around 18:00, you can enjoy the **Happy Hour & Cooking Class** to learn about traditional Vietnamese cuisine and how to make it.
