Upon arrival, please gather at the Heritage Line welcome lounge and finish the check-in procedure before getting on a speedboat and transferring to your luxurious floating hotel.

After that, a scrumptious lunch will be served in a bright, nearly 360-degree dining room. Grab this unique chance to take part in the gastronomic show, and watch your meal perfectly prepared by the Chef and his staff.

Besides, don't forget to marvel at the magnificent vistas of the passing landscape.

Afternoon

Indulge in the ship's unique features, including an infinity pool, massages, and outstanding treatments while lounging on the terrace deck.

Embark on a thrilling exploration of [Viet Hai Village](#) on Cat Ba island. You will transfer to a tender or speedboat to reach this serene isolated spot.

Once you arrive, you can opt to rent a bike or an electric cart (for an additional fee) to explore the lush forests, mysterious tunnels, and rice paddies along the way.

Interact with local people

After returning to the ship, we sail to a location in the middle of Lan Ha Bay where we will anchor for the night.

You can choose to participate in a tea-tasting class in the dining room, which will teach you about Vietnam's traditional herbal teas and their health benefits. Or, you can enjoy the luxurious spa facilities and get a spa treatment or sauna session.

Night

To satisfy your appetite, you can choose from a variety of dishes on a multi-course menu during dinner time. After dinner, you can participate in a "**Singing Bowl Meditation**" in the wellness studio. This ancient Tibetan ritual aims to reduce stress and promote better sleep by inducing deep relaxation.

Alternatively, you can enjoy the peaceful atmosphere of the terrace deck or your balcony, both of which offer stunning views of the surreal landscape. If you want to indulge in relaxation, our spa is open late and ready to serve you.
