Itinerary

Half Day: Luxury Cu Chi Tunnels Haft Day by Speedboat

Morning

07:00: Our guide will meet you at your hotel's lobby in Ho Chi Minh City and bring you by car to the speedboat at **Tan Cang Pier**. Enjoy a light breakfast of pastries or sandwiches, fresh tropical fruits, and mineral water as you begin your ride on a luxurious speed board.

While the tour guide on board discusses the [Cu Chi Tunnels](#)' significance and history, we will have the chance to take in the varied jungle beauty along the river's banks.

The Cu Chi Tunnels are a marvel of Vietnamese military innovation. The vital "secret city" of Cu Chi Tunnels served as the Vietnamese army's hiding location, supply route, and habitation during the war. When we arrive, we will learn more about revolutionary customs, patriotism, and the heroes and martyrs who sacrificed their lives to preserve peace in Vietnam.

We will watch the documentary for an in-depth look at the history of the tunnels and the Vietnam War. Experience walking inside the jungle and see the traps, the secret entrances, the bunkers, and underground hideouts.

Continuing the journey, we will explore the underground tunnel network, including living areas, kitchens, storage facilities, weapons factories, hospitals, and command centers.

We will have some time to relax, sip green tea and try the local cassava root that sustained Vietnamese fighters for years. Visit the shooting range where you can try firing some of the weapons used during the war (*at your own expense*).

Before heading to lunch, we will discover the process of making **traditional rice paper** and **rice-wine**. Relax and have lunch at Tan Cang Resort, then return to your hotel in Ho Chi Minh City by car.
