

# Hue City Tour & Cycling to Thanh Toan Bridge Day Trip

## Trip overview

The quiet country lanes and picturesque monuments make **Hue** an ideal place for cycling. This **full-day** tour is a mix of less visited routes and must-see sites: let you wander through this city of galleries of Vietnam's history and then explore the other side of Hue, the less touristic one, to explore rural life and country lanes. The tile-roofed **Thanh Toan Bridge** is an ancient architectural remain with highly historic and cultural values and a tourist attraction. In many guidebooks, the bridge is referred to as the "Japanese Bridge" since it bears some stylistic resemblance to another small wooden bridge in nearby HoiAn. On the way to the bridge, we will go through the countryside of peaceful villages. You can take pictures of buffalos, cows, and farmers in the rice field and taste local food.
